DEDICATION

ROBERT W. KLENK

Served in the Military - 1941-1946. Graduated with Honors from East Stroudsburg State College in 1950. Mr. Klenk began teaching Physical Education at Harford School in 1950. In 1956, he received his Master's Degree from Penn State University. He became principal of Mountain View High School in 1955.

We the class of '77 wish to express our sincere appreciation for your dedication to our school district and the many hours you have given our class.

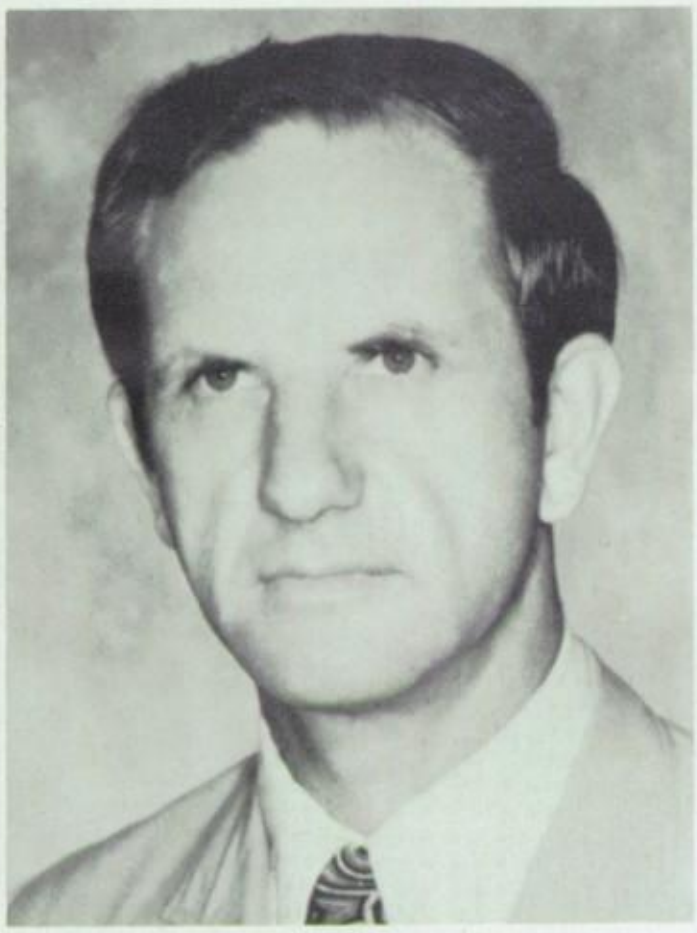
CAROL TRIPP

Mrs. Tripp started at Mountain View at Harford in May 1965. In 1967, Carol (as we fondly call her) came to the High School. She has been with us now for nine years, working steadily, always smiling, and always ready to give us a hand.

The Class of '77 wishes to thank you and give you the recognition we think you deserve.

Frowning with confusion, smiling with understanding.

IN MEMORY OF . . .



DAVID KOVACIC

Mr. Kovacic came to Mountain View in 1974. In his first year here, he taught Reading; however, in 1975 he became a member of the English Department. In 1968, Mr. Kovacic, graduated from the University of Scranton, on the Dean's List, Magna Cum Laude. He received his Master's Degree in 1970 from the University of Scranton.

DEVERE B. DECKER

Devere B. Decker came to Mountain View from Penn State University. Mr. Decker was very respected by all those who knew him; many yearbooks have been dedicated to the man that was so much a part of Mountain View. He was president of the Mountain View Education Association from 1966-1968.

We would like to thank him for helping to make Mountain View what it is today.

In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, . . . He lives on in your life and in the lives of all others that knew him.

Good Morning Yesterday, you wake up, and time has slipped away and suddenly its hard to find the memories you've left behind, Remember, do you remember the laughter and the tears the shadows of misty yesteryears, the good times and the bad you've seen and all the others in between, Remember, Will you remember the times of your life . . .

PAUL ANKA - 1975

Give us any chance we'll take it, Read us any rule we'll break it. We're gonna make all our dreams come true, Doin' it our way. There ain't nothin we won't try, never say the word IMPOSSIBLE, this time there's no stoppin' us, We're gonna do it! - Our Way, yes Our Way, Make all our dreams come true, For Me and You!

"LAVERNE & SHIRLEY"

Old Days, Good Times I remember, Fun Days, Days I'll always treasure.

"Chicago - 1975"

When will I see you again? When will we share precious moments? Will I have to wait Forever?

GEOFF LAMPERD

Hi There. I've had a really good time here at Mountain View High School. I came from Townsville, a large city on the coast of Northeastern Australia. Coming here was quite a change, but I've met a lot of great kids and had a lot of experiences I know I'll always remember. You have a really great school here. Thank you, and best wishes to future graduates of Mountain View.

CLASS PROPHECY

In the year 1999, it seems that the class of 1977 is in a bit of a mess.

PAM ALESKY, elected the first woman president, finds it difficult to keep the first man out from under her feet. The first man, DAVE CROSS, misses his four years of bench warming days at Mt. View.

Chief Custodial Engineer, TERRY ARTHUR, who models himself after Mr. Clean, was fired today for making Secretary of State, JACKIE RETTBERG, wipe her feet before entering the White House.

While skiing with members of the Senate, TOM BELIVAKICI was rushed to the hospital for a fracture of his left leg, not realizing he had run over Sec. of Transportation, MANNY DIAZ. DIAZ had just introduced legislation into Congress to levy a tax on anyone who does not drive a white Barracuda. PAUL FALLON, one of Washington's most influential lobbyists, protested the legislation on the grounds that his Camaro was being discriminated against.

MARK BENEDICT, CIA agent, sabotaged the Tunkhannock volleyball program by infiltrating the equipment room and filling all the volleyballs with water in remembrance of J.C. World famous nurses, CHERYL CREA and SUSAN BARLOW, tried unsuccessfully to revive the players after EATING! gallons and gallons of water.

CAROL BREWER was indicted by a Federal Grand Jury for worsening the world food crisis by her enormous consumption of bread crusts that are still being made by the cafeteria staff at Mountain View.

BECKY BRISTER and DARLENE BARHITE came knocking on the White House door to sell Avon, and were bounced out by TOM O'BRIEN, the official White House Body Bouncer.

Head of the Dept. of Agriculture, MARK MARCY, has just improved M.W.'s method of feeding hops and barley to the cows to get beer. TIM FEDUCHAK has tried unsuccessfully to go into partnership with MARCY, but MARCY won't budge. FRANCES WEIDOW, JOHN LIEPINIS, and BRIAN COLWELL, who are administrators in the Dept., helped the illustrious leader to come up with this invaluable process. The main driver for the crew is TOM CALL.

NELSON JESSE, head of the "Save the Horse Foundation," proposed a bill for an increase in the annual production of straws. Meanwhile, JANICE CACACE, chairman of the FDA, reached a breakthrough in her development of a product for straightening hair.

SUSAN GARDOSKI and RANDY SEVENSKY have just been appointed to the Polish Embassy located in the beautiful downtown city of Warsaw. The first big issue introduced to the new ambassadors was proposed by JEANINE STERLING to increase Pickle production. Newly appointed court musicians "Killer of the Audience" LARRY ZICK and "The Kentucky Kid," BILL SHOUSE, performed a benefit concert for JANE KOLODINSKY. It seems her Jackson Brown albums burned up in a fire and JANE hasn't been the same since. They also played the Party Polka in dedication of COLETTE HOLZMAN for her great gulping ability.

And now the grimmer side of the news. It was reported to us that TOM PETROSKI was pruning his bushes and lost his balance and fell out of a shrub, thus killing himself.

And now back to Washington. RON CONKLIN has just been arrested by FBI Director, RUDY TESTA, for the premiere outdoor showing of the second Mr. Ron's on the White House lawn.

The Mr. Universe contest was held this week in Memorial Stadium in Washington, D.C.; unfortunately one of our better Marine Physical Fitness test men, RANDY ROOD, took runner-up to DAVE GARRETT. Previously, Mr. Rood had taken the Mr. Mt. View contest.

The two better known cyclists of Mt. View, ROGER "DODGER" THOMAS and BILLY RAUB, entered the Tour de Kingsley, the world renowned bicycle race which is ridden completely downhill.

The Treasury Dept. reported today the biggest money heist in U.S. history. The facts seem to be leading toward the U.S. Olympic Track Team. JOHN KEKLAK, with his uncontrollable mind, calculated the distance to hurdle over the nine foot wall. He relayed the money to the famous relay team of MARTIN KLEES, TONY PULICE, BARRY McBRIDE, and JOHN SNEDEKER, who relayed it to Maryland in the record breaking time of 15 min. and 20 sec. While ripping off poor LARRY VANDERSPEIGEL, head of the Treasury Dept., they did set a new world's record. Way to go, guys!

MIKE MOLENKO, CAROL MUCKSAVAGE, BRIAN CHIDESTER, MARY ONUFRY, KENT ENNES and his fiance showed up for the Fourth Annual Washington D.C. dance marathon. The dance was sponsored by LIZ TRACY, who wanted the funds for the restoration of her tank, which was in ailing condition due to a past rendezvous in Harford, PA.

KIM MARCHO, who took over her father's business and moved to Washington, has increased sales 100% by appointing these new heads of staff. KEVIN SHINN, head of pipe and plumbing dept., finds MARY GOWEN very appealing. MARY is the top salesperson when it comes to screens. SHELLY MAGINLEY, DAVE RANSOM, and JODI KENYON have grouped together to form one of the world's most renowned dealers of fertilizer.

RANDY TITUS was arrested today by the local police for trying to imitate the great Abraham Lincoln. The arresting officer, RANDY FRANKLIN, caught TITUS in the Lincoln Memorial sitting on the deceased president's lap.

Presently working at the J.F.K. Airport is SANDY SCOTT, whose ample size nose got her a fine job as head baggage sniffer. She has uncovered many criminals during her short stay at the airport. Among these criminals, the infamous GEOFF LAMPERD who was caught while trying to smuggle in Koala bears.

On the lawn next to the Washington monument, LARRY FORNICOLA has started a chain of public showers. As a main advertising feature, FORNI guarantees a girl in every shower and RICH SEYMOUR Farrah's hair curling messages. Also, for an extra $2.00, Forni has CINDY SABUACAK and DEB SMITH, two of Washington's best feet washers, scrub and clean your toenails.

DEBBIE PERUZZI and COLEEN PACKER have been known to frequent the ever-popular Dames of Disco-teque. It seems as though DEBBIE and COLEEN have stomped and bumped through every discoteque in the eastern U.S. CHARLES DAVIS is the leader of the profitable organization.

Back to the White House affairs. ELEANOR JOHNSON is now under investigation for the poisoning death of MIKE DECKER. DECKER subsequently dropped dead while attempting to drink soup, which was imported from the Harford Diner through a straw.

On the lawn next to the Washington monument, LARRY FORNICOLA has started a chain of public showers. A main advertising feature, FORNI guarantees a girl in every shower and RICH SEYMOUR Farrah's hair curling messages. Also, for an extra $2.00, Forni has CINDY SABUACAK and DEB SMITH, two of Washington's best feet washers, scrub and clean your toenails.

LAURA and LINDA WICKIZER, heads of Mistaken Identity, have hired BOB POWERS as their new chauffeur. POWERS frequently takes the two to the executive offices run by KATHY WHITE. EVA WEIDOW is KATHY's indispensable secretary.

JODY RESSEGUIE was recently nominated for the Golden Volleyball award. SHERRY KOES and SUE FITCH are co-sponsors of the award. RESSEGUIE will now attempt to spike the golden volleyball over DEBBIE WALLACE's head for a world record of 7 ft. 3 in.

SHARON ESTABROOK and JANE ROBA, ambassadors to the Utah American Indians, are now teaching the Indians the lost art of archery.

KAREN KOSTICK and ANN OFALT, heads of the National Rah-Rah Dept., have created a new stunt called the "Quince-Darlin."

DENISE BUBERNIAK, chairman of the Jolly Green Giant Production, today announced that corn cobs can prove hazardous to your health. A small number of people panicked, among them JANET COBB who has been feeding corn cobs to her pigs.

Head of the Governor's School of Arts, MARY ELLEN HAMBKE, has recently reported that WILSON SEAMANS and PHILIP SAAM have enrolled for the six-week refresher course in the fundamentals of ballet, which they had forgotten during their brief vacation in the highly acclaimed town of Gibson.

MIKE PANASEVICH, Chief Chiropractor, has decided to leave the practice to start a summer wrestling camp where MARLENE VAUTER, head physician, and BARB ROSS, "Joe College expert," will be demonstrating the cross body ride. KAREN OAKLEY and LEE RIVENBURG are their prize students.

And that's the way it is in the year 1999. Stay cool and have fun, gang!!

WASHINGTON '77

If it feels good, do it!!

Sure, Mrs. O - it'll fit on the bus.

Hey, girls, is that really root beer in those glasses?

I'd rather do it alone, Nelson.

George, Martha, and family.

You'd laugh, too, if you knew who was taking this picture!

A Washington original

Sherlock Barlow and Doctor Roba.

We should really stop meeting like this!

WASHINGTON '77

You got to be kidding, Dave!

The stagecoach doesn't stop here? How will we get home?

Hey, Ann, I think your flower died!

She's awful skinny for such big hands, Larry!

We were born this way; what's your problem?

I don't know why they put this sign here, Karen, do you?

They've got legs!

JAMES NEDDOFF - Principal, Class Advisor

TO THE MEMBERS OF THE CLASS OF 1977:

It is with a feeling of ambivalence that I address the members of this graduating class. While I share in your pleasure at having reached this point in your lives, I also regret that your close association with your high school will now be ending. In "reflecting on past experiences," you need not forget the joys and satisfaction of such events. Therefore, I know this book will serve all of you as a constant and enduring reminder.

Your success and progress in life will continue to be a source of pride to us who remain on the school scene. Wherever life may direct you "in search of tomorrow's happiness," our best wishes go with you. Even though each succeeding year will, perhaps, remove you farther from high school days, we who remain a part of Mountain View High hope that many fond memories of your years here will be with you forever.

James Neddoff

TO THE SENIOR CLASS OF 1977:

I would like to congratulate the Class of 1977 for having completed the course of study prescribed by the Department of Education. May I also extend my personal regards and best wishes to each of you as you face the future. It is my most sincere hope that in some measure, we have given you a foundation upon which you can build, and by which you will be sustained as you meet the challenges, the problems, and the opportunities that come your way. Best of luck in the future.

RANK SECOND IN LEAGUE STANDINGS

The girls' varsity volleyball team ended their season with a five win-five loss record. Throughout the season the word "teamwork" was stressed, which led the team to second place standings in the league. With the setting ability of Terri Gow and Jane Kolodinsky, the spiking talents of Ann Ofalt, Lisa Biesecker, and Penny Oakley, and the constant chatter of Sherry Koes and Jeanine Sterling, the team placed third in the second annual Volleyball Tournament at Mountain View and captured third place laurels at the District 12 Playoffs.

SENIOR LETTER WINNERS
Mike Molenko, John Snedecker. Absent - Randy Sevensky.

You mean it's our turn to bat?!

Can I play now?

Look at those legs!

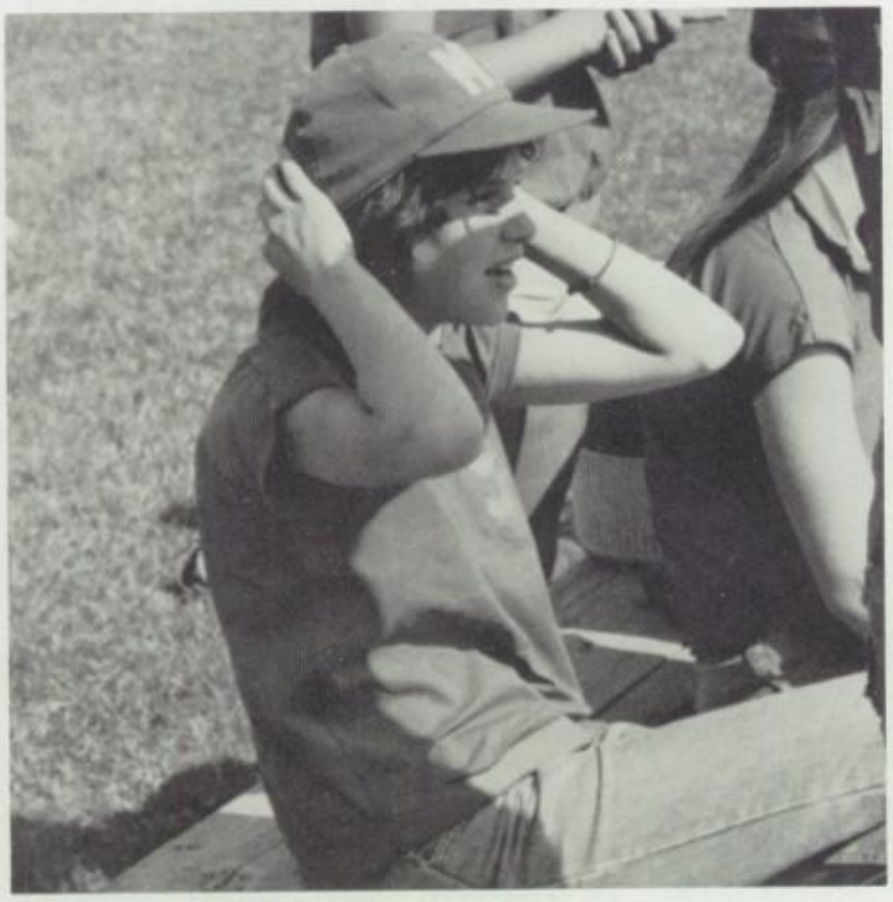
He just hit me in the eye!

Here we go again!

On three I turn around and hit the ump!

In their second year of play, the girls' softball team finished with one win and eleven losses. Their single triumph, a 17-16 win over Susquehanna, proved that even though they were young and inexperienced, they were capable of victory and made their opponents earn their winnings. Next year's season should prove promising since all but three players will be returning.

I hate it when someone looks over my shoulder!



Did she really do what I think she did?!

Is it my turn to bat already?

Our own pitcher hit me!

A moment to relax.

She's outstanding in her field!

The Pitch!!!

You wouldn't believe what's in this bag!
